As you ascend the lower arch you'll be surrounded by beams of steel and the hustle and bustle of the traffic below, enabling you to appreciate the beauty in the Bridge's construction, and enjoy the 360-degree views that surround you.

ULTIMATE (3 ½ HOURS)

Conquer the entire Bridge from South to North, and back again.

The iconic Sydney Harbour Bridge is one of the world’s longest steel-arch bridges, spanning an impressive 500 meters and standing proud above the sparkling Sydney Harbour. For many years, BridgeClimbers have scaled the South-side of the Bridge only to reach that jaw-dropping Summit moment...until now.

Going where no Climb has gone before, the Ultimate Climb is the most adventurous climb experience in BridgeClimb’s history, and we don’t say that lightly. The first of its kind allowing climbers to conquer the entire breadth of the legendary “Coathanger” from South to North, and back again.

Time of Day	Price Per Person
Day	\$280.00

BURRAWA - INDIGENOUS EXPERIENCE (3 HOURS)

Scale to the Summit of the Harbour Bridge with an Indigenous Storyteller as your guide.

Scale to the Summit of the Sydney Harbour Bridge and discover fresh perspectives on the city below with an Indigenous Storyteller as your guide.

Two decades after thousands of Australians walked across the Bridge in the name of reconciliation, this three-hour experience offers a unique and unmissable immersion into Aboriginal stories and landmarks across the harbour.

With **Burrawa** — a local Aboriginal word that means “above” or “upwards” — climbers step through history with stories that span thousands of years to the present day. Gaze out to sea through Aboriginal eyes. Look down on the shores where Patyegarang taught William Dawes the language of Sydney. Learn the origins of the familiar place names that circle the water’s edge, Bennelong Point and Barangaroo.

With a view that is celebrated around the world, this special event offers a rare opportunity to broaden our understanding and appreciation of the harbour city.
