

SNOW MONKEY FULL DAY TOUR
Monday night stay at your hotel in Tokyo is required.

NOTES:

- *Please bring warm clothing and gloves.* The temperature at Jigokudani Monkey Park may around 0-5 degrees Celsius (32-41 degrees Fahrenheit).
- The promenade between the parking area and Jigokudani Monkey Park (2km/ about 1.5 mile each way) may be slippery after snowing. Please bring good traction boots or shoes. Your shoes will likely get muddy during the walk up so please do not wear footwear that you do not want to get dirty. **If you have YakTrax or similar, it is recommended that you bring them with you.** There is a small shop at the bottom of the mountain that you could rent them, however, they only have a very small amount available.
- The walk is easy and level but please note that there is a staircase (about 20 steps) that is a bit steep. This could take up to 30-40 minutes to walk depending on weather conditions.
- Lunch – buffet style – is included.
